ROYANDI, S.Kom.

SOFTWARE ENGINEER

Mamuju, West Sulawesi, Indonesia | +62 813-4701-8612 | randiroyandi@gmail.com

Portfolio: royandi.vercel.app | GitHub: github.com/royandixix

PROFESSIONAL SUMMARY

Informatics Engineering graduate (Bachelor of Computer Science, S.Kom.) from Universitas Dipa Makassar with hands-on experience building web applications using Laravel, Next.js, React, TypeScript, MySQL, and REST APIs. Project work includes an academic information system, a helpdesk platform with SLA monitoring, and an ANN-based GPA prediction system. Experienced in authentication, dashboards, data management, frontend-backend integration, and application testing.

EDUCATION

Universitas Dipa Makassar | B.Sc. in Informatics Engineering (S.Kom.) | 2022-2026

TECHNICAL SKILLS

Frontend: React.js, Next.js, Vue.js, Svelte, TypeScript, Tailwind CSS
Backend: PHP, Laravel, Node.js, Express.js, Go (Gin), REST APIs
Database: MySQL, PostgreSQL, Supabase
Tools: Git, GitHub, Docker, Postman

SELECTED PROJECTS

GoDesk - Helpdesk & Ticketing | *Next.js, TypeScript, Go (Gin)*
Developing a helpdesk application with ticket, agent, and customer management; integrating APIs, SLA monitoring, and reporting and analytics features.

School Academic Information System | *Laravel, PHP, MySQL*
Built role-based modules for administrators, teachers, students, school leaders, and parents, covering schedules, grades, attendance, and announcements.

ANN-Based Student GPA Prediction System | *Laravel, PHP, Python, MySQL*
Integrated GPA prediction using semester 1-5 records and presented predictions, actual GPA, and absolute error.

Sales & Inventory Web Application | *PHP, MySQL, JavaScript*
Built product and customer management, authentication, barcode, and data export features. Code: github.com/royandixix/Web-Tokoh-Penjualan

LEADERSHIP & ORGANIZATIONS

Vice Chairman II | UKM KeDai Computerworks | 2025-2026
Coordinated organizational programs, technical collaboration, and technology learning initiatives.

Scientific Coordinator | UKM KeDai Computerworks | 2024-2025
Led programming workshops, knowledge-sharing sessions, and peer support for web development projects.
